ARH Archaeology & Architectural History is hiring qualified archaeologists for several projects in Idaho and Nevada. ARH is a Boise based CRM firm with projects in Idaho and Nevada.

Applicants **must have:**

- Completed a field school
- Experience in Idaho and Great Basin archaeology
- Be able to walk up to 10 miles a day.
- Able to work with a team and follow direction.

**Preferred skill sets** will include at least three months experience in southern Idaho and the northern Great Basin as well as those listed above.

To apply please email a 1) resume, 2) short introductory paragraph summarizing your experience, and 3) three professional references to

achauer@ARHarchaeology.com

With the subject:

“Archaeological Technician Position”

*Applicants who do not include all three items or the subject line will not be considered.*
